NEW QT THOTS (my Devotional Writing) AVAILABLE

A new devotional is now available at <http://kudospress.com/serendipity/index.php?>

This month's "QT Thots" focus on prayer, where we actively ask, implore, seek, thank, praise, talk with, and otherwise communicate with God our Father, Jesus our Savior, the Holy Spirit our Counselor.

Consider taking extra time to pray this month, to pour out your heart, as Hannah does in 1 Samuel 1:12-20, the reference text for Vol. 5, Issue 1.
