THE DOCTRINE OF PROVIDENCE

The London Baptist Confession of Faith defines Providence this way: "God, the good Creator of all things, in his infinite power and wisdom, upholds, directs, organizes and governs all creatures and things, from the greatest to the least, by his perfectly wise and holy providence, to the end for which they were created. He governs in accordance with his infallible foreknowledge and the free and immutable counsel of his own will, to the praise of the glory of his wisdom, power, justice, infinite goodness and mercy."

To understand History (what is really going on in current events, past, present and future) we begin with this Doctrine.
